

14th Annual NEPTA Scholarship Golf Tournament

Tuesday, June 18, 2013

Come have fun, golf, and support a great cause....all at the same time!

Join us for an afternoon of golf and gab at our annual fund-raising event for the NEPTA Scholarship fund.

Each year, the NorthEast Passenger Transportation Association (NEPTA) awards scholarships to individuals advancing their career in the transit industry, and to dependents of NEPTA member employees. **This event is the primary support for the scholarship program.**

Blackstone National Golf Course- located in Sutton, Massachusetts is a beautifully-conditioned course in a peaceful and relaxing setting. The course was ranked one of the Top 10 Public Courses in Massachusetts. This 18 hole, par 72 layout has a combination of open links-style and traditional tree-lined holes to provide golfers a challenging and enjoyable round of golf.

The day will begin with a training workshop, Safe Transportation of the Public under the ADA, which is a National Safety Council three hour course featuring terms and requirements of the Americans with Disabilities Act highlighting various procedures in relation to transportation. This course is geared toward all members of the transit industry. Following this training we will enjoy a BBQ lunch before beginning the modified shot-gun format at 1:00 pm.

The 19th hole festivities at the club house, including a reception, raffle prizes and tournament awards, will follow this modified shot-gun format tournament.

You may register for the event as a twosome, threesome, foursome, or an individual golfers. If needed, we will match you up with other golfers to ensure a pleasant day for everyone at the tournament. And be it because of luck or skill (or the worst team score), there may be a prize for you.
