

Thank you to all who participated in the 16<sup>th</sup> Annual Scholarship Golf Tournament in Sutton, Massachusetts.

Under a beautiful sky the golfers enjoyed a fun day with colleagues. Congratulations to Kevin Shidler with BraunAbility; Doug Gifford with Matthews Buses; and Jack Sullivan with Freedman Seating for taking the lead and finishing with a score of 60. Congratulations to Mark Circo with Proterra for securing the longest drive for the men's tee (some say beginner's luck since this was Mark's first golf outing with NEPTA), and Maressa Geryk, daughter of DJ Gonzalez, took the lead at the women's tee. Yes there was some family competition there.

Congratulations to the Closest to the Pin winners: John Burke, Tim Hagerty, Jim Gallagher and Ray Melleady.

Since this event started in 1999, NEPTA is proud to have awarded over \$73,000 in college scholarships to students entering or continuing their education in transit related fields.
