Spend an afternoon playing a beautiful golf course and enjoying time with your colleagues, while supporting the NorthEast Passenger Transportation Association (NEPTA) Scholarship Golf Tournament. We have a smaller group registered this year and have changed the tee time because these enthusiastic golfers requested to play 18 holes instead of 9, so mark your calendar for the new tee time and register to join the fun!

Since this program started in 1999, NEPTA has proudly provided over \$83,000 to students studying in transit related fields. Applications are available at [www.nepta.org](http://www.nepta.org).
